

ISLOMBEK DAVRONOV

FRONT-END DEVELOPER AND
GRAPHIC DESIGNER

CAREER SUMMARY

I started my career path as a Graphic designer about 2 years ago but recently dive into Front-end development where I found myself more in it. I love coding because it is unique type of ART that is not for all. I have done several interesting small projects and also boosting my Javascript skills.

PROFESSIONAL SKILLS

- Adobe Photoshop (7/10)
- HTML5 (8/10)
- CSS3(7/10)
- Sass(6/10)
- Bootstrap 4 (6/10)
- Javascript(3/10)
